KIMPTON GRAY HOTEL'S PERSONALIZED AMENITIES FOR OUR DISCERNING BUSINESS TRAVELER.

Like a perfectly fitted, custom suit from Savile Row, our guests are enveloped within a chic experience where every detail has been thoughtfully curated. Our service and style are second to none and we are here to help you look and feel the part. Check out our exclusive amenity add-ons that will have you standing out from the crowd:

- **GRAY CLOSET:** The key to a seamless commute? Packing lightly! Store your essential business suit(s) in our "Gray Closet" upon departure. We'll arrange to have it dry cleaned and waiting in your room upon arrival—our compliment.
- **TAILOR GRAY'D:** Arrive in style! In partnership with a local tailor, we send out your measurements for you to sport a fresh coat each season.
- **ELEVATED WET BAR:** Cheers to our beverage partners! Engraved personal decanter + rocks glasses to enjoy with your preferred liquor (Macallan, anyone?) for an in-room amenity each visit.

At your service.
